

# TATA CONSULTANCY SERVICES

The screenshot shows a software interface with a dark theme. On the left, there is a sidebar with the following sections and icons:

- HPC-A3** (top)
- quick-start**: hardik96, Ideation
- Overview**
- Activity**
- Reviews**
- RUN**: Workspaces, Jobs
- MATERIALS**: Data, Files
- PUBLISH**: Scheduled Jobs, App, Model APIs, **Launchers** (highlighted in blue)

The main area is titled **Launchers**. It contains the following text:  
Create self-service web forms on top of your scripts, so other people can run your analysis and change parameters on their own.

Below this is a **New Launcher** button. A modal window titled "Customer Analysis" is open, showing the following configuration:

- region**: North America
- window**: 90

The modal also includes the text: "This script does some analysis on our customers" and "how many days of history to use".
